## About us

CERES-CERT AG is an ISO 17065 accredited certification body based in Switzerland. We provide national and international inspection and certification services in the fields of textiles, environment, and climate. CERES-CERT AG is part of the EASY-CERT group and works closely with its sister companies BG group in Austria, bio.inspecta in Switzerland and CERES GmbH in Germany. For more information, please visit [www.ceres-cert.de](http://www.ceres-cert.de).

To strengthen our growing team, we are looking for a

## **Validator / Verifier and Certifier / Reviewer in the field of Climate (80–100%),** starting immediately or by agreement.

### Your impact

- Validate and verify climate protection projects, especially carbon sink projects
- Plan and carry out validations for recognized international climate projects
- Assess project documentation (Project Design Documents) for compliance with relevant standards
- Prepare clear, high-quality reports and provide feedback, including corrective actions, directly to clients
- Conduct onsite/remote inspections, including stakeholder interviews, to ensure project implementation is consistent with reported data
- Identify and evaluate risks related to material misstatements and data gaps
- Stay up to date with relevant standards and applicable ISO norms

### Your Profile

- A university degree and professional experience in the field of environment or climate
- Practical knowledge of sustainable forestry /agriculture or biochar production (a plus)
- Familiarity with life cycle assessment (LCA) methods (an advantage)
- Experience with sustainability certification systems, ideally as an auditor or reviewer
- First exposure to climate protection projects (Emission Reduction/Removal) under recognized standards (e.g. Gold Standard, Verra VCS, Puro) is a plus
- A precise, structured, and detail-oriented working style
- Willingness to travel within Europe and internationally
- Strong communication skills in German and English

### What we offer

- A meaningful role in an emerging and future-oriented market
- The chance to contribute to real climate impact
- A supportive, international, and dedicated team
- Flexible working conditions – combine office presence with home office
- Modern IT tools that make your work efficient
- Attractive employment conditions and opportunities to grow with us

## **Workplace**

Your workplace is flexible. You will work onsite at EASY-CERT group AG offices in Austria or Switzerland, with flexibility for partial remote work. ([www.easy-cert-group.com](http://www.easy-cert-group.com))

## **Application**

If you're ready to take on this exciting challenge and want to make a difference, send your complete application by email to Jasmin Steiner, Head of HR, at [career@ceres-cert.de](mailto:career@ceres-cert.de)  
For further questions, please feel free to contact Alexandra Schleiner, COO, [alexandra.schleiner@ceres-cert.de](mailto:alexandra.schleiner@ceres-cert.de)
